# FRIENDS DON'T LET FRIENDS GO WITHOUT A BACKUP.

We've created more information in the last two years than in the entirety of recorded history.

That's a lot of photos, memories, and important projects to lose.

Protect your legacy and backup your data.

TAKE THE PLEDGE AND TELL YOUR FRIENDS TO BACK UP THEIR DATA.

# WHAT WOULD YOU DO IF YOU LOST EVERYTHING?

If anything happened to your phone, computer or tablet, your important documents and memories could be lost forever.

Backup your files on March 31st to make sure you never lose anything that's important to you.
